[4 marks]

The course of the Lousel's life changed due to the necklace. After replacing the lost necklace with a new one, they had to repay all the money that they had borrowed to buy the new necklace. She washed the dishes, spoiled linens, their clothes and dishcloths. She took down the refuse to the street each morning and brought up the water, stopping at each landing to catch her breath.

Lousel worked in the evenings, putting the books of some merchants in order. At night, he did copying at five sous a page. This lasted for ten years, and at the end of the said period, they were able to repay their lenders.

OR

Bholi was a mentally backward child. Everyone laughed at her. But her teacher brought a new hope in Bholi's life. She filled her with confidence.

Bholi refused to marry a greedy person. She decided to teach in the village school. In this way, Bholi's teacher played an important role in changing the course of her life.
