[12]

Answers :

1. When Franz reached school, it was very quite that day just as Sunday morning. All were sitting quietly in their places. There was no opening and closing of desks. The most strange thing was that instead of usual rapping of scale on the table, Mr. Hamel was walking with his ruler under his arm.
2. The city of Firozabad is famous for its glass bangles. It is the centre of India's glass blowing industry.
3. The author William Douglas wants to convey that if we are determined and have the courage, we can overcome any fear that comes our way.

4. The peddler made rattraps himself and went around selling them. One day walking along the road, he was stuck by an idea. He thought the whole world was nothing but a big rattrap. As the rat is tempted to touch the bait, man also is attracted by the riches and joys of the world and gets caught..
5. Gandhiji went to Muzaffarpur to obtain more information about sharecropping system. He stayed there at professor Malkhani's house who was a teacher in a government school.
6. The legal adviser never helped anybody. Instead of solving the legal problems of the people, he himself used to create problems for them.
7. Jansie is a practical girl. She belongs to a middle class family. She has accepted calmly that after her school, she will work in a biscuit factory.

Q. 11. Answer the following questions in about 30 words. (any five)

[10]

Answers :

1. The letter was addressed to Charley and sent by his friend, Sam, who had gone missing for some time. The letter revealed that Sam had always believed in the idea of the third level and he was already there. He encouraged Charley to try and come there with his wife.
2. The Maharaja had the chance of losing his kingdom. He did not permit the British officer for hunting in his state. He ordered some diamond rings from the British company in Calcutta and sent for the officer's wife who returned all of them with a note of thanks. Thus, the Maharaja saved his kingdom.
3. The writer travelled one hundred hours to reach Antarctica. They crossed nine time zones, six checkpoints, three water bodies and ecospheres on their way.
4. Dr. Sadao Hoki was a famous surgeon and scientist. He lived in a low stone house set on rocks on the Japanese beach where bent pine trees stood in a row..
5. Mr. Lamb is an old man with leg of tin. He had lost his leg in a war long ago. Derry climbed over the wall of his garden instead of getting through the gate.
6. Judewin told Zitkala-Sa that her hair would be shortened. She also added that they will have to surrender because the school authorities were stronger than them. Zitkala-Sa declared at once, that she would not surrender without struggle.

Q. 12. Answer the following questions in about 30 words.

[10]

Answers :

1. The poet becomes very emotional and sad to see her mother who has grown old and pale, looking almost like a dead person. She becomes worried to see her mother's condition.
2. By 'exotic moment' the poet means the moments of silence when man will be able to analyse himself and try to make amends. This exotic moment can only be achieved through total silence and inactivity for a few seconds.
3. A roadside stand is a small shop at the edge of the road for selling goods (eatables) to travellers
4. 'Wedding band' stands for the marital duties which every woman has to perform..
5. The tigers symbolise the creative energy of women. Ttigers also represent the male dominant society.

Q. 13. Message of the poem ' Thing of Beauty'

[5]

The poem conveys the message that a thing of beauty is a joy forever. The poet 'John Keats' is a lover of nature. He urges man to realize the powers of nature and make life enjoyable and worth living.

OR

The central theme of "Aunt Jennifer's Tigers" by Adrienne Rich is how the power of the patriarchy controls women's bodies but not their minds. The poem makes this point by presenting the wild, exotic, powerful tigers embroidered by Aunt Jennifer and contrasting them with Aunt Jennifer herself.
